

Book Proposal

In order for your book to be considered for publication, authors must complete the following form and include a sample of the book for consideration.

Please note: All works must undergo at least one round of editing prior to submission.

I. Author/Applicant Information:

a. **Name:**

b. **Address:**

c. **Phone number:**

d. **Email address:**

e. **Personal or professional website:**

II. Abstract & Statement of Goals: (a summary of the contents of the book in 1 paragraph or less, and an explanation about what you hope your book will accomplish)

III. Synopsis with Possible Chapter Summaries: (an outline of your book, with a summaries of possible or existing chapters.)

IV. Description of the Target Market (Who do you believe is the primary audience for this book? Who will be interested in reading this?)

V. Competing Titles (Please describe 2-3 similar works)

VI. Format and Timeline (What will the finished product look like, and when do you think that it will be completed, if it has not yet been completed)

VII. Academic and/or Personal Referees (please list at least 3 references)

VIII. Please attach your book or portion of your book, if already in progress, to be reviewed by our team and considered for publishing.
